The Salutation of the Crowning Adornment

By the honour of creation, our master & guide, Ḥabīb Abū Bakr bin Sālim ؑ

In the name of Allah, the Universally Merciful, the Singularly Compassionate

O Allah, bestow blessings upon our master and patron, Muhammad; the owner of the crown, the ascent, the *Burāq*, and the standard. [He is] the thwarter of affliction, disease, drought, illness, and pain. His name is written on high, served, and engraved in the Tablet and the Pen. [He is] the leader of all – Arabs and non-Arabs. His body is sanctified, fragrant, pure, and illumined in the house and the sanctuary. [He is] the sun of brightness, the full moon in darkness, the foremost one in the highest fields, the light of guidance, the cave of refuge for mortals, the lamp that dispels the night. [He is] the best-natured one, the intercessor of nations. [He is] the owner of munificence and generosity. And Allah is his Protector, Gabriel is his servant, the *Burāq* is his mount, the Ascent is his voyage, the Lote-Tree of the Furthest Boundary is his station. And two Bow-Lengths or nearer is his desire; his desire is his goal; and he has reached his goal. [He is] master of the Messengers, seal of the Prophets, intercessor for sinners, bosom friend of strangers, mercy to the worlds, respite of those who burn with love, goal of those who yearn, sun of Gnostics, guiding lamp of seekers, illumination of those in close proximity, beloved of the poor, strangers and destitute. [He is] master of humans and jinn, Prophet of the two sanctuaries, leader of the two *Qiblas*, our means [to salvation] in the two abodes, owner of “two Bow-Lengths or nearer”, beloved of the Lord of the two Easts and the two Wests, grandfather of al-Ḥasan and al-Ḥusain, our patron and the patron of humans and jinn. [He is] Abu l-Qāsim MUḤAMMAD, son of ‘Abdullah, a radiant light from the Life-Giving Luminosity of Allah. O you who yearn for the radiance of his beauty! Send blessings and utmost greetings of peace upon him, his family and companions.
