

THE TRUTH ABOUT AHMADIYYA

THE HOLY QUR'AN

The holiest book in Islam is the uncreated Word of God, the Holy Qur'an. It is a Message from Allah (SWT) to humanity. It was transmitted to us in a chain starting from Allah (SWT) to the angel Gabriel (AS) to the Prophet Muhammad (SAW).

This revelation was given to the Prophet (SAW) in pieces over a period spanning approximately 23 years (610 CE to 632 CE). The Prophet (SAW) was 40 years old when the Holy Qur'an began to be revealed to him, and he was 63 when the revelation was completed. The language of the original message was Arabic, but it has been translated into many other languages.

The Holy Qur'an has not been expressed using any human's words. It is literally the word of Allah (SWT). The Holy Prophet Muhammad (SAW) was the final Messenger of Allah to humanity, and therefore the Holy Qur'an is the last Message which Allah (SWT) has sent to us.

TRANSLATION

As Islam expanded the need naturally arose for translations to foreign and native languages from the perfectly preserved Arabic. Today we find the Holy Qur'an translated in to more than fifty-three languages.

The majority of translations remain true to the original Arabic import, only differing and substituting words to best capture the meaning. However, some translations outright twist and alter the original message to support either their own beliefs or push forward an anti-Muslim agenda. The Ahmadiyya are one such group who freely alter the Holy Qur'an in their translations.

For example, the Holy Qur'an says *"...And who believe in that which has been revealed to you and that which was revealed before you and they are sure of the hereafter"* (2:4). The altered Ahmadiyya translation states *"And who believe in that which has been revealed to thee, and that which was revealed before thee, and they have firm faith in what is yet to come."* (English Short Commentary, Page 14) Accompanying this, the footnote claims it means *"revelation which is to follow"*. This repulsive twist of *"al-arkhirah"* to *"yet to come"* has been inserted to support the Ahmadiyya belief of their new prophet Mirza Ghulam Ahmad and his revelations.

AWARENESS

The Ahmadiyya try very hard to disguise their distorted version of the Holy Qur'an and attempt to pass it off as an authentic accepted version. It has been categorically rejected by every Muslim organisation and by 1.6 billion Muslims.

If you see the following names on any version, whether it is at a Qur'an exhibition, local library, online or iTunes App Store, please avoid it and make others aware of its distorted translation and if possible replace it or report it to the appropriate organisation: Mirza Bashiruddin Mahmood Ahmad, Malik Ghulam Farid, Sher Ali, Muhammad Zafarullah Khan, Mohammad Ali Lahori, Ahmadiyya Movement in Islam.

DISTORTION

Allah (SWT) says in the Holy Qur'an, "...*There is among them a section who distort the Book with their tongues: (As they read) you would think it is a part of the Book, but it is no part of the Book; and they say, "That is from Allah," but it is not from Allah: It is they who tell a lie against Allah, and (well) they know it!*" (3:78)

The Ahmadiyya very much qualify in this category as demonstrated in the previous section with their twisting of "*al-arkirah*" (*the Hereafter*). This is not the only example of how they attempt to force their beliefs in to the Holy Qur'an by means of alteration. They scornfully claim that the Holy Prophet Muhammad (SAW) had a second advent on Earth in the person of their prophet, Mirza Ghulam Ahmad. In their short commentary by Malik Ghulam Farid, on page 1136 with reference to surah 62, ayah 4 (62:4) they claim, "...*The reference in the verse... is to the Second Advent of the Holy Prophet himself in the person of the Promised Messiah in the Latter Days*". It is such beliefs and such twisted alterations as to why their creed is rejected and declared outside the fold of Islam. They continue in this

fashion to reject the miracles of the Prophet Jesus (AS) in the Holy Qur'an by claiming they are mere metaphors. They manipulate the prophecies in the Holy Qur'an foretelling the coming of the Prophet Muhammad (SAW) in previous scriptures by claiming they refer to the coming of their prophet, Mirza Ghulam Ahmad. They reject the Word of Allah (SWT) with regard to Jesus (AS) in that "...*they did not kill him nor did they crucify him*" (4:157) by claiming he was crucified but survived. There are many other such deliberate distortions thus ensure you read an authoritative translation not an Ahmadiyya manipulation.
